## CANDONI DE ZAN FAMILY WINES

"We are an Italian family-run winery, committed to excellent winemaking for over one hundred and fifty years. We feel great pride and gratitude for the magic land we come from and want our Candoni Painted Bottle Wine Collections to be a celebration of its beauty and culture that the Etruscans started more than 2,500 years ago in Italy."

THE JOY OF LIVING

PRODUCT OF ITALY

CULTIVATING  
OUR HERITAGE...  
2,500 YEARS  
AND COUNTING!

The Etruscans introduced the grapevine to the Italian peninsula. Since then, wine has been a constant in our culture. For generations, our Candoni family has paid homage to these ancient roots by preserving and cultivating our winemaking heritage, to which our fine wines and painted bottles are a testament.

## OUR PAINTED BOTTLES

All our bottles are painted with a technique called serigraphy which is a method of using ceramic natural colors melted on the glass of the bottle to create a unique piece of art.
